

REYAP Agriculture Science and Technology Institute Registration Form* June 21-24, 2011

REYAP is an Oklahoma-based youth agriculture organization that recruits, trains and develops 7th to 12th grade culturally diverse students for college and careers, specifically in agriculture.

The Oklahoma State University Institutional Diversity and the Oklahoma Experimental Program to Stimulate Competitive Research (EPSCoR) partner to sponsor the 6th Annual REYAP Agriculture Science and Technology Institute.

The early introduction to agricultural education strongly influences subsequent career choices. The Summer Institute provides students theory and hands-on, interactive experiences relating to technological innovations while gaining greater understanding of the education and career opportunities available in the field of agriculture.

**REYAP Agriculture Science and Technology Summer Institute highlights include:
Natural Resource Management • Food Science • Animal Science • Entomology •
Bio-systems and Agriculture Engineering • Bio-Energy and more...**

Tentative Schedule

June 21-Students arrive OSU Stillwater•REYAP Welcome•OSU Welcome•Tour

June 22- Research •Research, Public Speaking, Essay Development Workshop•

June 23- Public Speech Competition•Research Project Review•Oral and Poster Competitions

June 24-•Essay Review•Agriculture Careers•Awards Luncheon•Check out

Workshops and classes will be held on OSU campus in Stillwater.

During the week, students will have many opportunities and experiences including a preview of campus life and learning to present research projects that will be judged on-site.

As a REYAP member students will use these projects to compete in local, district, state, and national competitions. Parents are encouraged to participate in their child's experience by volunteering as a chaperone.

A critical component of the REYAP curriculum focuses on science and technology as it relates to agriculture. Opportunities provided through REYAP membership includes: Career and Workforce Development; Summer Intern Program; Agriculture Science and Technology Institute and the Leadership Development Program.

The REYAP Agriculture Science and Technology Institute is inclusive of all meals, lodging for 4 days, a tee-shirt and transportation to and from designated locations in Ardmore, Tulsa OSU, and Oklahoma City OSU.
